**Government: What Do Ya Think?
(perceptions) ... page 8**

**What Is It to Me?
(role of government) ... page 11**

**What's the Point?
(purpose of government) ... page 13**

**Going Overboard
(totalitarian governments) ... page 17**

What Do I Know? (review) ... page 20

I Wonder (to learn) ... page 23

Keeping Up (current events) ... page 27

This brief introductory section leads students to begin to consider the role of government and its impact on them. These first few lessons acquaint students with the functions of government in their communities.

No test questions are provided for this section since its intent is merely to introduce the idea of government and allow students to begin thinking about its importance to them and all citizens.

Local Government
